Education Payment of House rent
98 of 1903-04 Rs 2 per mensem to the
14 H school masters proposed who are undergoing
training at the Tata's Silk
Farm at Bangalore

Letter No 7798/286 dated
the 22nd Feb 1904 from the DPI Mysore
in Mysore

From para 7 of Govt Order
No 14668-77/Ed R 4-96 dated
the 7th April 1903, it will be
seen that expenditure incurred
on behalf of school masters
deputed for training at the
Silk Farm at Bangalore is
to be debited to "Local Funds General"
The DPIs' proposal to meet
Rs 60 (2 × 5 teachers × 6 months) out
of the savings of Rs 10½ a month available in
the village school Fund
budget cannot be sanctioned

Why?

The charges on account
of ~~stipends~~ scholarships on this
account are shown in a separate
budget 'Industrial and other
Special schools' (vide page 6
of the printed copy of the budget,
under IV scholarships, item 2

under the above head Rs. 420
(for 5 scholarships at Rs 7 a month
= 5×7×12 = 420) has been provided
But in as much as the 1st batch
of students was sent for training
only from the 1st Oct 1903, there
is a saving of Rs 5×7×3 months = 105 ~~xxxxxxxxxx~~
~~xxxxxxxxxx~~ of the proposal of
the DSP to grant house rent at Rs
2 a month for the amount reqd may
be met from the saving indicated.
As the charge relates to the same he
no reappropriation of funds
necessary

Submitted for orders

DSP

The payment of the house rent
proposed seems reasonable. Even
police constables deputed for training
at their respective schools are granted
a house-rent allowance of Rs 10
(Vide G.O. of 29-7-901 para 7)

The pay of the teachers comes
the Village School fund and therefore
nothing inappropriate in debiting the
rent also to the same fund

Note contd

(1)

The above draft was approved by the Dewan and was issued (Vide No G 4685-6 & 21/3/04) -

In para 2 of the order it was observed that the house rent amounting to Rs 10-8 per mensem, seems to be a permanent Saving in the Village School Fund Budget and if so the amount should be removed from the Budget for the next year -

With reference to the above the D.G.I states in his present letter No 8951/340 & 28/3/04 that it is impossible to fix a definite amount for the house rent of hundreds of Schools - and that it is therefore necessary

to retain for the Budget some un-
utilized balance to meet certain
unforeseen charges under house rent-

If the Dy Cs contention is approved
para 2 of the order referred to will
have to be cancelled-

Submd for orders

The D/C says that
("central Cadet") a lump sum
provision was made for house rent
Had Govt ordered any change
in the old arrangement referred
to ? Olga see me Should

D/C says

The provision in the current years budget
for "house rent & contingencies is Rs 3720
This apparently is a lump sum provision
but whenever new schools are opened,
the Dy C General submits a list of the
amount of contingencies & house rent
required for the schools- By analogy,
should he not also, submit whenever
the necessity for house rent ceases to
exist, in the case of schools provided with
pucca buildings, submit a list of the
amount by which the provision
may be reduced? Even after such

demolition of the hotel front always liable to appeal a margin for unforeseen charges under Horse plant

This view of appd may perhaps be commund to the hon'ble Govt

SIR

With reference to para 2 of order No G 4685-6 dated 21st March 1904 I have the honour to inform you that the amount provided for the house rent of schools can never be ascertained to a pie and fixed for any period of time A Government School house may require extension or repairs, and while the extension or repairs are being carried on a rented house has to be engaged, or a school may outgrow its existing accommodation and additional accommodation for it may have to be rented in the middle of the year For these and similar causes it is impossible to fix a definite amount for the house rent of hundreds of schools What is saved in some schools may have very

soon to be utilised in other schools It was for this reason that until lately a lump sum provision for housecrent in round figures was always made in the budget which included an unutilised margin for unforseen charges The sanction of Government is always asked for when fresh charges for housecrent are incurred as the Inspector General himself is not authorised to sanction them Some unutilised balance should under there circumstances always remain in the budget under the head of housecrent

I have the honour to be,
Sir,
